The school is located in the most commercial area in Torrent, in the Avenue País Valencià 32, 1º. It is 20 minutes from the centre of Valencia by underground and also at the same distance from the beach.

In the school we have created a very good atmosphere due to our long experience with the English Language in different countries.

Our school is equipped with wide modern and sunny classrooms. All of them have audiovisual devices which are very helpful to reinforce the knowledge of the foreign language.

Courses are offered in a friendly and personal, yet professional environment. Our course philosophy is simple and effective combining the latest innovative teaching techniques with personal attention.

All our teachers are native qualified teachers and speakers

We also have a big room where
